

## Chilled Mango Soup

1—600 bag frozen mango pieces, thawed ( you can get these at Thrifty's in the frozen food section))

1 ½ to 2 cups orange juice

1 cup plain yogurt ( Balkan variety works well )

Juice of 1 lime

2 tbsps liquid honey ( PC honey with ginger is really nice if you prefer)

½ to 1 tsp ground ginger OR minced ginger

Mint leaves to garnish

Place mangoes, 1/1/2 cups orange juice; yogurt, lime juice, honey and ginger into a food processor and whirl until smooth.

If you would like the soup thinner, stir in the remaining ½ cup orange juice.

Chill

Garnish the soup with mint leaves before serving.

Makes approx 5 cups—definitely serves 8
